Read:- Statements and reviews from the Collectors' of all Districts except Madras.

Resolution:-

Arrear Demand:- The total demand under 'Principal' and 'Interest' during the quarter under review was Rs.13,54,947. Of this a sum of Rs.12,582 was suspended in the quarter. Out of the net collectable demand of Rs.13,42,365 a sum of Rs. Rs.9,48,081 (about 71 per cent) was collected as against 91 per cent in the last quarter leaving a balance of Rs.3,94,284. It is satisfactory to note that the collections in the districts of Anantapur and Kurnool in which arrears were large have been above 90 per cent.

The statement below shows the arrears in each district and the steps taken for their realization. The districts are arranged in the order of the heavyness of the balance outstanding.

(Vide Appendix B)

The arrears under enquiry or correspondence are heavy in the districts of Vizagapatam (35,458), West Godaveri (27,207) and Tinnevelly (2,038). The Collectors are requested to see that further correspondence is expedited and that the arrears under this head are cleared off soon.

The arrears covered by demand Notice No.I. are very heavy in Anantapur (36,279), Chittoor (29,506), Bellary (25,144), Kistna (22,715), Guntur (16,264), East Godaveri (15,831) and Cuddapah (11,013) and heavy in Madura (8,659), Nellore (6,895), Chingleput (4,440), Tanjore (3,842) and Vizagapatam (3,684). The concerned Collectors should see that further coercive processes are pushed through without further delay.

In spite of definite instructions the arrears not covered by any process has increased in the districts of Ramnad and Tanjore from 2976 and 3724 to Rs.15284 and 4116 respectively. The arrears under this head are heavy in Kurnool district (3644). The Collectors are requested to look into this personally and take early steps to realise the arrears at an early date.

The following statement exhibits the arrears in each district in the order of the percentage of the balance.

/ Vide Appendix C. /

2. The statement below shows the fasli years to which the arrears referred to above relate:-

/ Vide Appendix D./

Balances relating to Fasli 1352 and earlier faslis are noticed in the districts of East Godavari, Guntur, Bellary, Anantapur, Cuddapah, Chingleput, Salem, Tanjore, Madura, Ramnad and South Kanara. The Collectors concerned should take prompt and effective steps towards the reduction of the arrears.

3. Current Demand:- (1) The Current demand up to the end of the quarter under review was Rs.1,15,988 of which a sum of Rs.64,703 or about 56 per cent was collected leaving a balance of Rs.51,285. Collection is good in the districts of East Godavari, Anantapur, North Arcot, Trichinopoly and Madura. The Collectors are requested to show better progress in the next quarter.

(ii) The following statement shows the arrears in each district and the steps taken for their realisation. The districts are arranged in the order of the heaviness of the balance outstanding.

/ Vide Appendix F)

It is satisfactory to note that the large amount of arrear under enquiry or correspondence in the district of Tinnevelly has been completely reduced.

The amounts covered by Demand Notice No.I are very heavy in the districts of North Arcot and Madura and heavy in the districts of East Godavari, Anantapur, Salem and Trichinopoly. The Collectors of these districts are requested to take prompt and effective steps to reduce the amounts.

The statement below gives the percentage of the net recoverable balance to the current Demand under 'Principal' and 'Interest' in each district.

/ Vide Appendix G. /

4. The following statement shows the Demand, Collection and Balance, both 'arrear' and 'current' under 'Principal' and 'Interest' in each district, the districts being arranged in the order of the percentage of total balance.

/ Vide Appendix H. /

The net recoverable balances are very heavy in the districts of Kistna (1,01,610), Vizagapatam (41,678), West Godavari (27,207) Bellary (28,829), Anantapur (41,590), Madura (29,546), and Chittoor (29,506) and heavy in the districts of East Godavari (18,842), Guntur (16,355), Cuddapah (11,179), North Arcot, (15521) Tanjore (10,683) and Ramnad (16,739). The Collectors are requested to see that the balances are reduced.

With reference to G.O.No.865, Revenue dated 27th April 1937, the Board submits a statement showing the demand, collection and balance of the loans advanced under the Agriculturists' Loans (Amendment) Act, 1935:-

/ Vide Appendix I/

The balances are hevy in the districts of Kistna (2,761), Chingleput (1,658), Anantapur (1,330) and Malabar (1,615). The Collectors concerned are requested to take prompt steps to reduce the balances.

The Statements and reviews were received late from Vizagapatam, West Godavari, Guntur, Nellore, Cuddapah, Bellary,

Kurnool,

Kurnool, Chingleput, Chittoor, Tanjore, Madura, Ramnad, Coimbatore, Nilgiris and Malabar as shown below:-
